Regarding Our Relationship with PA BPoint Inc.

(Please note that we are not involved in the operation of any corporation based in South America, including but not limited to Panama.)

Our Company and BITPoint Japan Co., Ltd. ("BPJ") are not involved in any way in the operation of the crypto asset trading platform services, "BITPOINT LATAM" (<https://bitpointlatam.com/>) ("the Subject Services"), which are operated in South America by PA BPoint Inc. ("PABP"), a Panamanian corporation.

PABP has been making statements on its websites and in its emails sent to users of the Subject Services that imply a cooperative relationship between PABP and BPJ, and has also been posting photos of some of our Company's directors without our authorization.

As stated above, we are not currently involved in any operation of PABP or the Subject Service in any way.
